Mehsana, Gujarat, India

EDUCATION

Ganpat University <i>Bachelor of Technology in Information Technology</i>	Mehsana, Gujarat <i>Expected 2027</i>
Government Polytechnic, Himmatnagar <i>Diploma in Information Technology</i>	Himmatnagar, Gujarat <i>January 2022 – May 2025</i>

TECHNICAL SKILLS

Programming Languages: Java, Python, JavaScript, PHP

Web Technologies: HTML, CSS, Bootstrap, Responsive Design

Tools & Platforms: Git, GitHub, Visual Studio Code

Core Competencies: Full-Stack Development, Object-Oriented Programming, Database Management, RESTful APIs, Agile Methodology

Soft Skills: Problem Solving, Time Management, Team Collaboration, Analytical Thinking

PROFESSIONAL EXPERIENCE

Software Development Intern <i>One-Way Akshar Technology Pvt. Ltd.</i>	June 2024 – July 2024 <i>Himmatnagar, Gujarat</i>
--	--

- Developed a full-stack Pet Care Website serving as the primary project, implementing user authentication, service booking system, and payment gateway integration (online and COD options)
- Engineered responsive front-end interfaces using HTML, CSS, JavaScript, and Bootstrap, ensuring cross-browser compatibility and mobile-first design principles
- Built back-end functionality with PHP including user registration/login system, database management, order processing, and feedback collection module
- Implemented core features: package selection, booking management, payment processing, order cancellation, and user feedback system with MySQL database integration
- Collaborated with development team using Git version control, participated in code reviews, and delivered project within tight deadlines while maintaining clean, maintainable code

PROJECTS

Pet Care Management System | *HTML, CSS, JavaScript, PHP, MySQL, Bootstrap*

- Architected and deployed a comprehensive pet care platform with user authentication, service booking, and payment processing capabilities
- Designed database schema and implemented CRUD operations for managing users, services, bookings, and transactions
- Created intuitive UI/UX with responsive design, improving user engagement and accessibility across devices

CERTIFICATIONS & ACHIEVEMENTS

- **Deloitte Australia - Data Analytics Job Simulation** – Completed virtual experience program focused on data analysis and business intelligence
- Strong foundation in data structures, algorithms, and software engineering principles
- Active contributor on GitHub with multiple repositories showcasing personal and academic projects
